

**More thoughts from JCCians  
after New Building Dedication  
Service  
18 Dec 2016**

*We praise and give thanks in the journey of faith in the rebuilding of JCC, that as a family unit(3 generations) we can be involved and contribute to it.*

The projector screen is big and now I can better see the screen!

Enjoyed the buffet!

Privileged to be there to witness such a historical moment, honoured to be part of this project. Heartfelt praises and thanksgiving to God that a small fry like us can handle such a big project...

Seeing the raw emotion displayed on the bishop's face and feeling the Holy Spirit moving in our midst as the service was being conducted, touched me deeply.
